SALT LAKE NOW

Local Team Takes Third Capture Dual Meet With B. Y. Straight Game From Helena.

Salt Lake tops the percentage column. Sait Lake tops the percentage column. This may seem strange news to local fans, but it is only too true. Boise was downed by Butte yesterday, and the locals gave 1.500 local fans an exhibition of what a team can do when it is working right, by trimming Helena for the third straight victory. It was a good game. Any game is that the focal team wins, but yesterday's contest would have been the real article even if Hunton's men had scratched in a victory.

Walts was in the box for Salt Lake and was at his best. For six innings he pitched shut-out ball, allowing but three scattering hits. Then he weakened, or, rather, became wild, and passed the first two men in the seventh. This resuited n Helena scoring two runs, and then Walts settled down and finished the game in good form. Johnson, who won the opening game for Helena, was in the box again, but was hit hard when hits meant

Head's work was easily the feature of thead's work was easily the leature of the game. Twice he let easy grounders slip by and then shut off possible scores by some of the most sensational fielding seen since the season opened. Not content with this work, he led both teams in hitting, his work being greatly responsible for three of Salt Lake's runs Richmyer got away with a two-bagger. This is the youngster who plays left field for Salt Lake and yesterday was his secfor Sait Lake and yesterday was his second game in league ball. His two-bagger yesterday was his first hit in organized ball and goes to show that all he needs is confidence to make a winner of him-

Sturgeon was first up in the first inning and led off with the three-bagger. Ilanmond promptly brought him in with a single, Hammond went out on Head's tielder's choice and the latter immediately stole second. Lussi brought him in with a two-bagger and the Salt Lake first baseman reached third on Whaling's out. He was caught off the bag and wored on Stis' wiid throw to Morse. In the third inning Salt Lake added another. Head reached first on a single. Stole second and came home on Lussi's hit. In the eighth one more was added to the score for Salt Lake. With no one out. Head reached second on a two-bagger. He took third on a wild pitch and came home on Whaling's single.

Helena was blanked until the seventh. Here Walts passed the first two men up, Johnson advanced both with a single, and Murray, the first man getting a walk, scored in Stis' fly to left; Smith went to third on the play and came home on Westley's hit. In the eighth a two-bag-

MADDOCKS MEN LEADS LEAGUE SHOW UP STRONG

U. at Provo by Score of 80 2-3 to 30 1-3.

(Special to The Herald.) Provo, May 8 .- The university scored a decisive victory over the Brigham Young university in a dual track and field meet held on the B. Y. campus this afternoon. The final score was 802-3 to 301-3. The meet had many features and four state records were broken and one tied. There was a large and enthusiastic crowd present and the B. Y. U. rooters appeared in straw hats with the Provo colors for hat

the B. Y. U. was disappointed over the outcome as they expected that it was their one chance to defeat the U. They made a creditable showing and in every event pushed the U men to the limit and it was necessary to go below the records to beat them. Coach Maddock of the U was well pleased with the work of his men and he says he believes from the results of yesterday's meet that this team is the strongest in years in spite of the poor prospects at the beginning of the season.

Great Race in Quarter.

The greatest race of the day was the quarter mile between Brinton and Chamquarter mile between Brinton and Chamberlain. Chamberlain had gained ground on Brinton in the last quarter of the nile race in the recent relay carnival so the Provo sports backed him heavily against the U phenom. On the start Chamberlain took the lead and after a fierce fight on the turn Sam pushed ahead with Chamberlain at his heels. In this position the two men fought until the last turn, when Brinton pulled away, but as the runners turned down the home stretch Chamberlain gradually closed in and finished about a foot behind the speedy U man. It was one of the closest and most sensational races that has ever been run in this city. The race was run in 52 secin this city. The race was run in 52 seconds, which is two-fifths of a second be-

low the state record.

The two-twenty furnished a good fight for second place between Richardson and Bairde, Brinton taking first with ease. The hundred yard dash was won in record time, Brinton covering the distance in 10 flat. In the half mile Roberts for the U put up a great fight and pushed the strong Chamberlain, the B. Y. U. star, to the finish. The relay fell easily to Maddock's team. low the state record.

Maddock's team.

The only displeasing incident of the meet occurred in the mile, when Sainsbury spiked Harry Alley, the star miler for the U. Alley was coming around the turn on the third lap when Sainsbury closed in on him and spiked him. He was ordered off the track. A wound of considerable length was put in Alley's leg and he had to retire from the meet.

In the field events Convill was the star, winning 14 points and breaking two state records. He won the shot at 46 feet 10 inches and threw the hammer 138 feet 4 inches, which is nearly two feet better Maddock's team.

inches and threw the hammer los feet inches, which is nearly two feet better than the state record made by Bennion. He took third in the broad and second in the discus. Wilkinson beat the state record a foot in the discus. The Provo star was Baird. He won the broad and high through and second in the two-twenty, scorjumps and second in the two-twenty, scoring 13 points.

ing 13 points.

Brinton as usual was the big point winner and the lad from Cottonwood with the wonderful legs won his regular three events and ran the relay. He broke the record in the quarter and tied it in the hundred. Stewart, who runs hurdles for the L., did good work and won both of his events.

Fred Simpson, the Indian, and Fred Appleby, the English entry, plodded their patient way to the end, as did Cibot, the French six-day runner, who finished seventh. John D. Marsh, the Canadian entrant, after running second to St. Yves for fifteen miles, gave up in the St. Yves for fifteen miles, gave up in the twenty-fifth mile. Tom Morrissey of Yonkers, only recent-

Tom Morrissey of Yonkers, only recently turned professional, collapsed utterly in the sixteenth mile and had to be carried from the field; but Pat White and Mat Maloney, running for Ireland; Louis Orphee, running for France, and Felix Carvajal, running for Cuba, plodded on doggedly to the end.

St. Yves' time, 2:44:95, was almost four minutes slower than the mark set by him in the Marathon derby of a month ago. The pace at which the first ten miles were run, however, was much faster than that which has characterized former events of this kind, the five miles being negotiated in 27 minutes 56 seconds, and the ten miles in 56 minutes 2 seconds.

Twenty Thousand Present. Twenty Thousand Present.

The race brought to the Polo grounds a crowd of nearly 20,000 enthusiasts. The weather was ideal. At the crack of the pistol Marsh took the lead and St. Yves was edging him stride for stride, the little Frenchman pattering on like a steady Shetland pony, never more than a few

For fifteen miles the two ran practically together. Behind these two, distanced sometimes by a few yards, at others by several laps, came Svanberg.

In the sixteenth mile St. Yves had "killed" his man, and Marsh began to fall back slowly. First Svanberg sped past him. For a while the plucky Canadian fought against Dorando passing him, but the Italian would not be denied and rushed by with a burst of speed. This theatrical sprint of the Italian runner was not followed up, however, and he stopped when opposite his quarters. After a three-minute rest he was again in the race, but twice again, in the seventeenth and nineteenth miles, he retired from the contest. From the twentieth mile to the end he ran in splendid form, however, and gained lap after lap on some of his competitors, not excepting St. Yves. His and gained lap after lap on some of his-competitors, not excepting St. Yves. His many stops, though, doomed to failure his efforts to make up his lost ground. As the race wore on the runners began to show signs of distress. First Morris-sey, then Appleby, then Syanberg top-

The surprise was Crook, who, running as if each lap would be his last, man-aged to creep his way to the front, past Dorando, past Marsh, past Appleby, past

Dorando, however, was in apparently as good condition at the finish as at the start, and galloped off the grounds amid both cheers and hisses.
